

Calculating your Eligibility Based on Annual Household Income

To be eligible for our program, the total annual income of everyone in your household (that is, everyone who will live in the house, regardless of the nature of the relationships) must fall within the guidelines of the chart below.

		Annual Household Income from All Sources	
# of Persons in Household		Minimum	Maximum
1 - 4		17094	65120
5 - 8		30769	85958
9 - 10		43077	111798
